

SuperTact

SuperTact is our specialized lineup for military-related uses:
military tents and shelters, military vehicle covers and hoods,
and military inflatable boats.

Our years of experience and advanced technology have met the needs of numerous militaries across the globe. SuperTact fabrics are made of high-strength reinforced polyester scrim, and they provide the highest durability and weatherability. As they are intended for use in harsh-environment military applications, they exhibit excellent levels of mildew and chemical resistance as well as being fire-retardant.

Features

- Superior UV resistance
- High-strength reinforced polyester scrim
- Wide range of patterns and colors
- Various types of weights, structures, and surface textures
- Maximum 126" wide

Options

- Fire retardant (All US and EU standards)
- Anti-Mildew
- Glossy/Matte, Acrylic and PVDF finish
- Customized colors and patterns

Different environments present different camouflage requirements.

Wonpoong provides a large selection of camouflage patterns and colors.

1. Tent/Shelter

Item	Weight	Tear (lbs)	Tensile (lbs/inch)	Adhesion (lbs/inch)	Elongation (%)	Max. Width
F-2	15oz	40/37	135/130	9	20/25	126inch
